## Magic auction set for October

The next meeting of IBM Ring#92 the Vancouver Magic Circle takes place on Thursday, October 27th, 2005 at the Sunrise Community Hall in Vancouver. The entire evening will be devoted to the club's Annual Magic Auction. Anyone wishing to sell some of their unwanted magic is welcome to do so. Please call **Karen Eskilson** at 604-418-3407 to register as a seller. Our usual protocol for the evening will be in effect - 'First come, first sell, ten items, then rotate' with 10% of all sales going towards the club. Doors to the hall will open

at 6:00pm for setup, viewing, and socializing, with the auction itself scheduled to start at 7:30pm. Auctioneer **Clinton W. Gray** will be at the gavel leading the proceedings.

Plan on a lively, action packed evening, sprinkled with a few bargains and the possibility of the odd treasure. Also, as our meeting falls just days before 'All Hallows eve' prizes will be awarded for the best Halloween costume. Wear yours ... if you dare.

## Howling good time had by all at the September meeting

Our September meeting started with a workshop on Halloween Magic presented by **Dave Watters, Juan Garcia, Michael Glenister and Glen LaBarre**. They covered everything from converting standard tricks to Halloween ones, using specialty Halloween items and making up patter and a trick to go with them. Very illuminating.

The business meeting went quickly, breaking near the end for a presentation to a surprised **Ian McLeod**, who was honored for attaining the milestone of 'Order of

Excalibur' with the IBM. Ian had his Excalibur certificate and lapel pin on hand to show around to the crowd. Our Ring presented Ian with a handsome stained wood and brass Magic Wand in honour of being our first recipient of this award. Ian was interviewed by CBC radio {a copy is in the archives} and the local newspaper had a nice article and pictures of Ian with some of Ring #92's magicians. **Cathie Watters** brought out a huge cake with "Congratulations Ian on 50 years of Magic with the IBM & VMC" and

we finished up the meeting on a sweet note.

Cathie, with assistance from Melodie Hewson and Rachelle Paradon treated us all to a gastronomic feast of food and beverage that had a Halloween theme. It's great to see the 50/50 money being put to good use. Speaking of which, the \$61.50 in the 50/50 pot was won by New Member **Damien Carriere**.

## Tip Top & Tootsie from page 1

The main event of the evening was the initiation requirement for new members, who must perform 3 magic effects for the entire membership. **Len Lauk, Amanda O'Leary, Damien Carriere, Errol Lipschitz** and **Cameron Fisk** entertained the crowd and were all successful in attaining full membership in the Vancouver Magic Circle.

This was followed by our newest competition for the *Tip Top & Tootsie Trophy*, which features a Halloween theme trick... only one trick or effect is

Cathy Watters with her fantastic feast

allowed. (The award is in honour of **George Patey**, recently deceased and **Bill Eliason**, his partner; Halloween being a favorite time of year for them and the trophy is named after 2 clown characters they created). The trophy was hotly contested by **Dave Watters, Trevor Watters** and **Dennis Hewson**. The funniest, fastest and shortest competition I have ever seen. When the Judges votes were tabulated, the winner of the inaugural run of the *Tip Top & Tootsie Trophy* was Trevor Watters. He had the greatest prop too... a Halloween item he bought in a department store that he gimmicked himself. He called it '*Coffin Card*' with the premise being, a previously selected card is found in a screaming, ghoulish way. It tied in nicely with the earlier workshop. Very clever.

Meanwhile the stage had been set up for the secret initiation ceremony for the new members, so as our 41 members in attendance were getting repaired, our 11 guests and one dog, **Tequila**, were asked to wait in seclusion. The new members were initiated ..... but that is all we can tell you about that. Shhhhhh.

## Visions of Excellence Award Won by a Magician

It's the Oscars for small business owners and 21 businesses were in the running as Douglas College held their 2005 Visions of Excellence Entrepreneur of the Year Awards at the Executive Inns and Hotels in Coquitlam on October 19, 2005.

**Ray Medway** (magician) won the prestigious award in the Service category for the Visions of Excellence Entrepreneur of the Year for his business that combines corporate training and magic called the Beach Group.

The awards are presented to the hottest self starters at special ceremonies with a number of

local city mayors, alderpersons and other celebrities in attendance (over 250 attendees). All nominated entrepreneurs are graduates of the self employment business program at Douglas College. Started in 1995, the program is acknowledged as one of the leading programs of its kind in Canada and has helped launch more than 1,800 businesses in the local Greater Vancouver area. Only eight awards are presented annually.

Ray of course gave an acceptance speech that included a very surprising and magical closing!
